

## THE MULBERRY MORTGAGE COMPANY

### Meet Our Lenders

Our mortgage service gives you access to a wide choice of mortgages from many different lenders. As part of this service, we will assess your individual circumstances against the lenders and mortgage products we have access to. We will then give you expert advice on the most suitable product for your needs. All of this is designed to help you get the mortgage you are looking for, based on what you can afford, and to ensure you don't pay over the odds.

Here are the lenders we work with ("BS" stands for Building Society):
